### Haven't played in a Scramble before? Yikes!

In a scramble, each player tees off on each hole. The best of the tee shots is selected and all players play their second shots from that spot. The best of the second shots is determined, then all play their third shots from that spot, and so on until the ball is holed.

- One score is entered per hole per foursome.
- Must play next shot within one club length of where ball lies.
- There are no minimum requirements for tee-shots hit by players.
- **PLEASE PLAY READY GOLF**
- When playing next shot from within one club length, the ball must remain in same condition (Ball in rough stays in rough, ball in sand stays in sand). You are allowed to move your ball within that 1 club area to get a better lie.
- **KEEP PACE OF PLAY**
- **PLEASE REMEMBER DINNER AT 5:30PM.**

**Now go out there and have a GREAT TIME!**
