St. Barnabas School ignite gala

2027 IGNITE SPONSORSHIP

The Ignite Gala sponsorships and program advertising play a vital role in the success of our largest annual fundraiser. By sponsoring the event, businesses and individuals gain high visibility within the St. Barnabas community and beyond, through prominent logo placement on event banners, recognition in social media blasts, and exposure to over 300 guests in attendance.

Your sponsorship also extends well beyond the gala night. Our quarterly magazine reaches more than 4,000 households, the Blazer Blast weekly email is sent to over 400 unique subscribers, and our social media platforms engage 1,700 followers with an average of 1,500 impressions each week, providing consistent exposure and community connection throughout the year.

Sponsorships not only help cover event costs, allowing more proceeds to directly benefit our mission, but they also elevate the gala experience for everyone through enhanced programs, entertainment, and auction items. Supporting the Ignite Gala as a sponsor is a meaningful way to make a lasting impact while connecting with a dedicated, faith-filled, and engaged community that values local partnerships and Catholic education.

If your business is interested in sponsoring a specific element of the evening, **such as live entertainment, the bar**, or another featured experience, please inquire about these special opportunities.
