

Uniform/Dress Code Policy

Uniforms are an important part of the way we remain connected as a school community. When wearing the St. Barnabas School uniform, inside and outside the school, students represent the school and their behavior should be a credit to themselves, their families, and the school community. We ask that all parents and students adhere to the uniform policy outlined below to help our school community retain this important part of our identity.

A student who wears a visible item that is not specifically permitted by the dress code is in violation of the code. Students violating the dress code will be first sent home with a dress code violation including an explanation. If the item violating the dress code is worn again without parental communication with a teacher, a demerit may be issued. The administration of St. Barnabas School has the ultimate authority to determine the appropriateness of all attire, including special dress days.

The PTU sponsors Uniform Exchange events throughout the school year, where new and gently used uniform items are available for a small fee charged through FACTS. You do not need to bring an item to purchase an item. The Uniform Exchange chairperson may also be able to accommodate a special request, outside of the scheduled sessions by appointment, please contact PTU@barnabasohio.org.

Purchasing Uniforms

St. Barnabas School has contracted with two uniform vendors to provide our families a variety of options. St. Barnabas recommends that you purchase your items from the uniform vendors listed below, as all items in these school shops are approved for use at the school.

- School Belles: schoolbelles.com; (888) 637-3037; School code #S0192
- Lands' End Uniforms: landsend.com/uniforms; (800) 963-4816; Preferred School #900131616

Most of the products from Prime Time Sporting Goods (stbarnabas.itemorder.com) are considered spirit wear and are not permitted per the standard and dress uniforms, but one item, the Jerzees Nublend ¼-Zip Cadet Collar Sweatshirt is permitted. It is available in youth and adult sizes. School logo must be selected.

Note that items purchased from other vendors must mirror the style and color options offered from School Belles and Lands' End. If you purchase items from other vendors, embroidery services are available for a fee from the following:

- Steve's Sports: <http://www.stevesports.com>; 440-735-0044

Components for PE uniforms may be purchased from above vendors, or may be purchased directly from the school and charged to your FACTS account in person at one of the Uniform Exchanges, or using the following order form:
